

Annual Report of school

KLE Society's Smt.C.B.Ranamode School, Athani affiliated to CBSE, New Delhi was set up in the year 1998 with the vision to prepare students to become globalised successful citizens with quality education.1321 students are receiving education in our school from Nursery to X grade. At present we have 50 teaching,2 office staff and 12 menial staff. The school curriculum includes co-curricular and extra-curricular activities.

The school is headed by the Principal Mrs. Kritika Ghosh. It has well qualified teachers with professional credentials. Special attention has been given towards the academics by inducting talented and experienced teachers and also the teachers' knowledge is being updated through various virtual workshops and webinars in all the subjects/topics. As a result of which the students gained enough knowledge and came out with flying colours in the field of academics and sports.

The school has excelled in academics with 100% result in the CBSE Grade 10th exam in the year 2019-20. Eleven students have obtained above 85% in the Board exam. The school has been preparing our children for the future by guiding and supporting all students to reach their full potential. It radiates an atmosphere that values achievements, moulds characters, enriches minds and imparts proper values.

The school provides the best infrastructure facilities like "NEXQUARE" software facilitates generating report cards, tracking attendance, procuring fee challan, study certificate, T.C etc. Well equipped laboratories are set up for English, Science and Mathematics subjects. Library consists of more than **7000** books accessible to students and teachers for reference. It has a music room with wide range of Indian and western instruments. Adding grace and beauty to all this is a beautiful children's park for the pre-primary children. Safe drinking water is provided for all.

Co-curricular Activities /Events organised in school

A wide range of co-curricular activities which provide an opportunity galore for students for self expression and creativity fulfillment is organized every year. Our children are encouraged to participate in all the events and competitions held in the campus.
